STUDY TIPS

BEFORE READING

Define what you want to achieve from reading the book.

Plan out when and how you'll read each chapter.

Ensure you have your bible and this worksheet template.

DURING READING

Record key points, insights, and questions in the Notes section.

Determine the central idea or message of each chapter.

Note important concepts, quotes, or verses.

Take time to reflect on what you've learned and how you can apply it.

AFTER READING

Go through your notes and summarize the main points.

Consider the book's main themes and key takeaways.

Think about how you can apply the insights and principles to your life.

Share your thoughts and insights with others to deepen your understanding.

REMEMBER:

Be consistent: Set aside dedicated time to read and reflect on the book.

Be open-minded: Approach the book with an open mind, ready to learn and grow.

Use additional resources: Consider using additional resources, such as commentaries or study guides, to deepen your understanding.
